Re: Serial No. 10/622,362, Filed: July 17, 2003  
Our Do. No. 7592-9

Number of pages (including this one): 2

In case of error in transmission, call: (503) 222-3613

**REMARKS:**

Dear Ms. Young:

Further to our telephone conversation of today, per your request, attached is a copy of our returned postcards with the U.S. Patent and Trademark Office's acknowledgement stamp indicating that they received our complete U.S. Patent Application with accompanying papers (including drawings) on July 17, 2003, and acknowledgement that they also received our complete Response to the Notice of Incomplete Nonprovisional Application on August 19, 2004. We recognize that the serial number indicated on the August 19, 2004 postcard contains a typographical error in the serial number and filing date, but the material that is stated and accompanied on the postcard is related to Serial No. 10/622,362, filed July 17, 2003.

If you need anything further, please let me know. Thank you for your assistance in this matter.

**NOTICE**

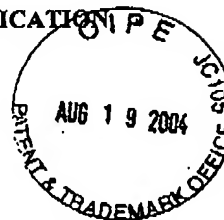

This facsimile transmission is attorney-client privileged and confidential information intended only for the recipient named above. If you are not the intended recipient, you are hereby notified that any dissemination, distribution, use of copying of this communication is strictly prohibited. If you have received this transmission in error, contact us immediately at the number above.
